CREDIT & DEBIT CARD ORDERS

When an order is initially placed, we perform a pre-authorization on your credit card for an amount sufficient to cover any potential charges associated with your order. This pre-authorization allocates a portion of your line of credit towards the purchase from us. Due to the restrictions of credit card processing, the pre-authorization amount is normally slightly higher than the exact order amount that is finally charged to the credit card. The exact amount is charged to the credit or debit card at the time the order is shipped from our facility. If we do not use the pre-authorization for some reason, (order cancelled, item sold out, etc.) the pre-authorized amount will be restored to your credit card's line of credit in the amount of time determined by the issuing bank.

The card issuing bank may hold the original pre-authorization amount for some period of time even after we have already charged the card. Please contact your bank to find out what their policy is with regard to releasing your funds on a pre-authorization. Only your bank can decide when to release that amount back to your account.

BACKORDERS

If you order an item which we expect to be able to ship within 30 days and that item is not immediately available, we will backorder the item. Please note or advise if you *do not* wish to have items backordered. Backordered items will be sold at the price in effect at the time of shipment. Shipping charges will be added to each shipment, including any backorders, as shown below (12% of backorder subtotal - \$8.00 min. and \$35.00 max.).

QUANTITY DISCOUNT

A quantity discount will be offered on any shipment of new parts and upholstery to one location which meet the following two criteria: the *merchandise total is over \$1000 and payment is made in advance in cash or by bankcard.* Orders paid by **bankcard** (Visa, Mastercard or Discover) or **personal check**, will be extended a 7% discount off the merchandise. Orders paid in advance by **cash** or **cashiers check** will be extended a 10% discount. Discount does not apply to special order items, used parts, disc brake kits, or restoration shop billing. No additional shipping charges for backordered items on quantity discounted orders.
